

HBI-KI Exchange Application Form

Completed application forms and attachments are to be submitted as a single PDF file to jason.ng1@ucalgary.ca. References should be addressed to Dr. Cam Teskey, Education Director, Hotchkiss Brain Institute. For program details, including competition deadlines, please refer to the award terms of reference.

As a public body, the Hotchkiss Brain Institute (HBI) is regulated by the Freedom of Information and Protection of Privacy Act (FOIPPA) of Alberta. As such, all personal data collected will be for HBI internal use ONLY and will not be communicated with anyone outside of the Institute.

I understand that HBI support is contingent on me applying for University of Calgary International Studentships or, if ineligible, another external source of funding.

Student Signature _____ Date _____

A. APPLICANT DETAILS

Full Name:		<i>Surname, First Name & Initial(s)</i>
UCID #:		
Complete Mailing Address:	Phone:	
	Email:	
Current CV Attached:	Transcripts Attached:	Reference Attached:

B. EXCHANGE DETAILS

Proposed Supervisor Full Name: (1st choice)
Proposed Supervisor Full Name: (2nd choice)
Proposed Supervisor Full Name: (3rd choice)
For a list of KI researchers, see the Department of Neuroscience or Department of Clinical Neuroscience
Are you also applying for the RHISE Oxford exchange? If so, which program would be your preference if you were successful in your application for both exchanges? Please detail below.
Students who have applied to start other academic programs which commence before completion of their BSc Neuroscience degree are not eligible for this exchange. I certify that I have not applied to start a different degree program in the next academic year and that I will complete the entire exchange year and my BSc Neuroscience.
Student Signature _____ Date _____

C. INTERNATIONAL EXPERIENCE

Please list any international experience you have, academic or otherwise. Also detail any experience speaking a language other than English.

D. STATEMENT OF INTEREST

Explain why you are interested in this exchange, your career goals and how the exchange will help you achieve them. Outline your research interests and explain any preference in host labs. Include any other information relevant to the application committee. **Do not exceed the space provided.**
