

THE MATHISON CENTRE
for MENTAL HEALTH RESEARCH & EDUCATION

Mathison Centre Membership Application

Thank you for your interest in the Mathison Centre for Mental Health Research & Education. The Mathison Centre is part of the Hotchkiss Brain Institute. Membership with HBI is not required to become a Mathison Centre member, however it is strongly encouraged. The benefits and responsibilities associated with Full or Associate membership in the Centre are governed by the *Mathison Centre Membership Guidelines* found on the website: www.mathison.ucalgary.ca. Please review these guidelines before applying for membership in the Mathison Centre.

You can visit the Mathison Centre website for more information on the Centre's Mission and Vision, Education and Research Goals as well as Upcoming Events that you may wish to become involved with.
