HBI International Strategy Grant for International Scientists Attending Local Conferences

Rationale: This program is intended to support short satellite visits to the HBI by international Faculty-level scientists and clinician-scientists attending conferences being held locally e.g. Banff.

Eligibility:

- The host must be a full member of Hotchkiss Brain Institute.
- The visitor should be from a Research Institution outside of Canada.
- The international Faculty visitor should give a seminar advertised to and deemed of interest to faculty and trainees of the Hotchkiss Brain Institute.

Use of Funds:

- Funds are provided for accommodation, local travel and food.
- The maximum amount available is Can $1,000.00*.
  *Subject to the availability of funds

Application Process:

- Applications are to be submitted to Travis Kerr at travis.kerr@ucalgary.ca.
- Applications can be submitted at any time during the year but must be at least 4 weeks in advance of the visit.
- Applications will be assessed by the HBI International Strategy Committee. Successful applicants will receive a Notice of Award from the Hotchkiss Brain Institute International Strategy Director with further instructions for the transfer/collection of funds.
