HBI Research Day 2025 Sponsorship Package

Libin Theatre
Azrieli Atrium

Thursday June 12, 2025
8:30 am - 5 pm

The Hotchkiss Brain Institute (HBI) is proud to host the 21st Annual HBI Research Day, bringing together approximately 400 attendees, including leading experts from academia, healthcare, industry, and the broader community. This flagship showcases groundbreaking neuroscience research, fosters collaboration among scientists, trainees, and industry leaders, and provides an excellent opportunity for industry engagement.

HBI Research Day 2025 will feature dynamic speaker sessions, networking opportunities, and an interactive poster session with over 100 trainees presenting their research. The event will culminate in a keynote address by Dr. Ben Deneen, Professor and Dr. Russell J. and Marian K. Blattner Chair at Baylor College of Medicine in Houston, Texas.

Why Sponsor HBI Research Day 2025?

Sponsoring HBI Research Day provides your organization with direct access to a dynamic and engaged audience of leading neuroscience and mental health researchers, clinicians, and trainees. Through thought-provoking presentations and invaluable networking opportunities, this event offers exceptional brand visibility and the chance to connect with key members of the neuroscience community. This is a unique opportunity to witness groundbreaking advancements in neuroscience that are driving innovation in Alberta and beyond.

Sponsors with exhibitor space will have dedicated opportunities to engage with attendees during the networking and exhibitor session, providing a platform to share insights and build meaningful connections. However, sponsors are not permitted to sell products or services; only value-neutral product and service information may be shared.

Sponsorship Opportunities

Presenting Sponsor – \$15,000 (Exclusive Opportunity)

- Exclusive recognition as “HBI Research Day, presented in partnership with [Sponsor Name]” on the event cover page, website, and event signage
- Priority exhibitor booth placement
