HOTCHKISS BRAIN INSTITUTE

Application for Small Equipment Repair, Replacement or Purchase Funding

To support the ongoing research success of its members, the HBI has funding available for small equipment repair, replacement or purchase. Full members of the HBI are eligible for up to $10,000 of support. Applications for funding should be directed to Dr. Scott Ryan, who will chair a program committee on a biannual basis to review funding requests. Priority will be given to individuals who have not recently received funding from this program. Emergency repairs will be considered on an ad hoc basis.
Please submit final applications to scott.ryan@ucalgary.ca in advance of the June 1st or December 1st deadlines.

Date:

Applicant name(s):

Description of the equipment repair, replacement or purchase that the funds will support:

Total projected costs of equipment repair, replacement or purchase (attach invoice or purchase order if applicable):

Total amount being applied for from HBI:

Amount and source of matching funds (a minimum of 25%, but a 50% match is normally expected) provided by applicant(s) or others:

Please provide a brief description of what you have contributed to the HBI in the last 5 years (i.e. volunteer on committees, leadership roles, etc.)

Please describe what the equipment will be used for, who will have access to it, its potential impact on your research, including current and future publications and grant applications.
