

Brain and Mental Health Team Membership Application Form

Joining a BMH team, led by the HBI, will provide collaborative research opportunities and access to significant support, including: regular meetings with colleagues from across campus working in specialized areas of brain and mental health research; opportunities to join team grant applications; access to internal funding competitions; activities and support directed at trainees in your lab; annual retreats; and additional specialized opportunities, as determined by BMH team leaders.

The Brain and Mental Health Teams are key elements of the HBI research governance structure. Representatives from each team serve on the HBI Strategic Research and Innovation Committee (SRIC).

The current BMH Teams are:

Neural Injury & Repair

- **Multiple Sclerosis** - Team Leads: **Dr. V. Wee Yong** and **Dr. Sarah Morrow**
- **Spinal Cord/Nerve Injury & Pain** – Team Lead: **Dr. Gerald Pfeffer**
- **Integrated Concussion Research Program**- Lead: **Dr. Keith Yeates**
 - **SRIC Representative:** **Dr. Chantel Debert**

Healthy Brain Aging

- **Stroke** – Lead: **Dr. Bijoy Menon**
- **Dementia & Cognitive Disorders** - Team Leads: **Dr. Eric Smith** and **Dr. Roger Thompson**
- **Movement Disorders** - Team Leads: **Dr. Davide Martino** and **Dr. Scott Ryan**

Brain & Behaviour

- **Computational Neuroscience program** - Lead: **Dr. Jörn Davidsen**
- **Epilepsy** - Team Leads: **Dr. Julia Jacobs-Levan** and **Dr. Karl-Martin Klein**
- **Neurodevelopment** - Lead: **Dr. Deborah Kurrasch**
- **The Mathison Centre for Mental Health Research and Education*** – Director: **Dr. Matthew Hill**
 - **SRIC Representative:** **Dr. Matthew Hill**
 - *If you are interested in collaborative mental health research, please apply to join The Mathison Centre: **Mathison Centre Membership Application form**

To apply:

- Please complete a separate application form for each BMH Team to which you would like to apply. Researchers are encouraged to apply to as many Teams as would be beneficial to their research.
- Send completed form to the appropriate BMH Team leader, as listed above. The leader will contact you directly following your acceptance into a Team.

Which BMH Team are you applying for?
